GRAND HAVEN

BLUE AND GOLD

Verna, ONov. 2, 1976 (this was written)

You are one hell
of a good sister
& may not treat
you like one but
I hope you know that
deep down in I love you
very much.

For being my sister
I love you understand

P.S. I hope you
time sometimes.

Very Truly Yours

Marie

MICHIGAN
HISTORIC SITE
GRAND HAVEN
This town began as a fur trading post established by Rix Robinson in the 1820's. Robinson, an agent for the American Fur Company, used this as one of his leading western Michigan posts. The Rev. William M. Ferry came here in 1834 from Mackinac to work with Robinson in developing a town. The Grand Haven Company was formed, and lots were platted and sold. By 1837 the town had more than 200 inhabitants. A heavy influx of settlers in the 1840's caused the decline of the fur trade. Lumbering soon became the leading activity, and by the 1870's there were several saw mills, a shingle mill, and a sash and door factory in the community of 6,000. Grand Haven became a popular health resort in the late 1800's, famous for its Magnetic Mineral Spring.

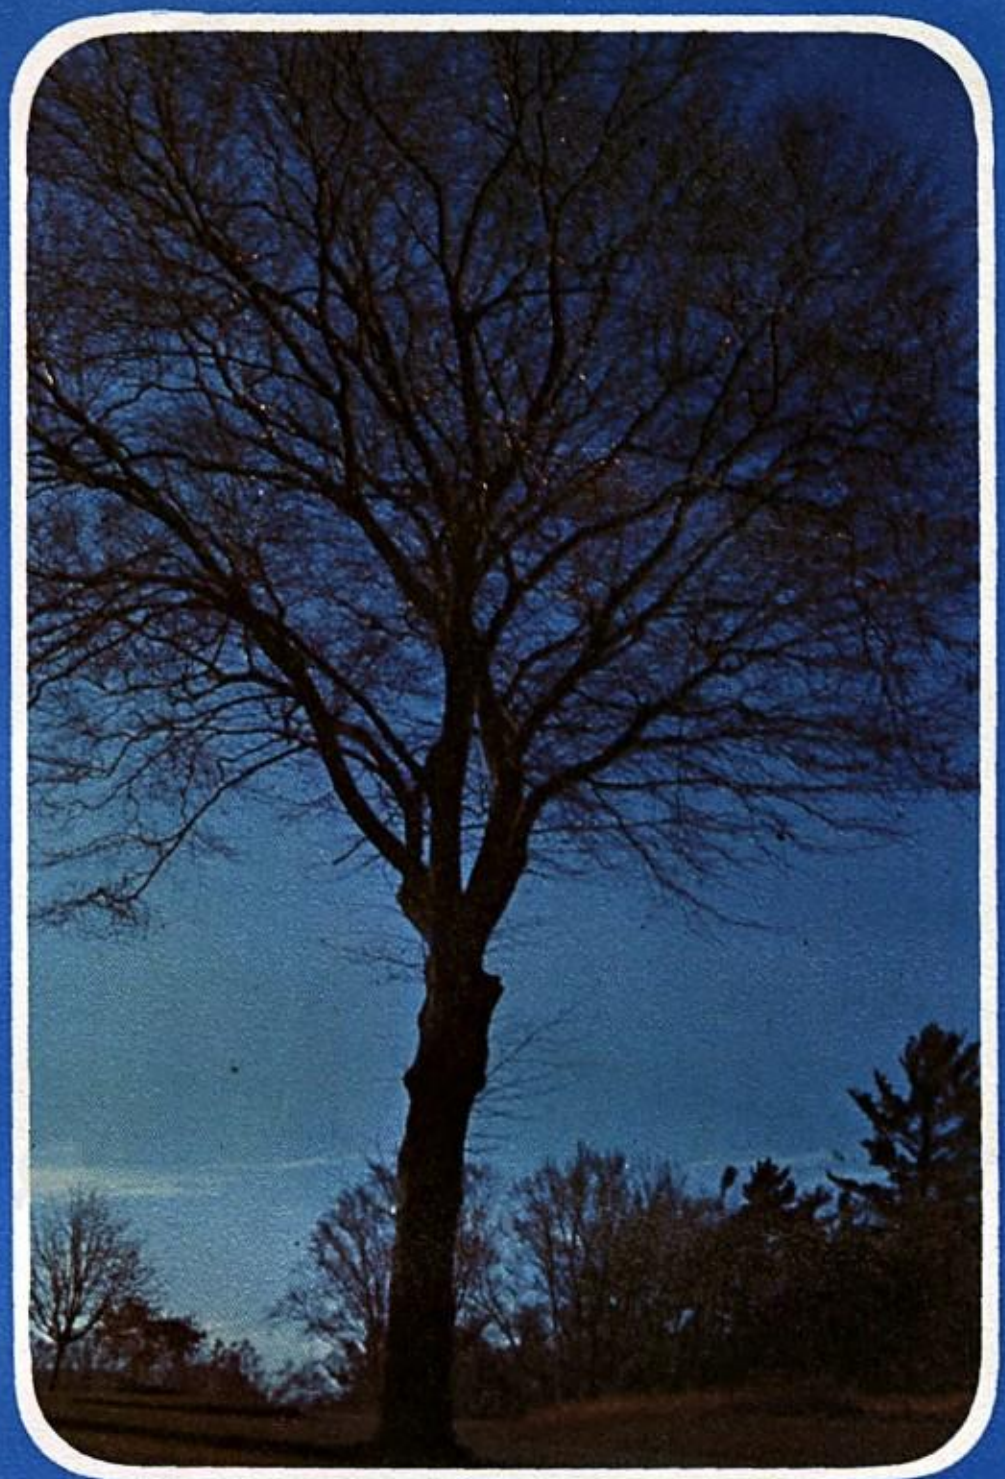
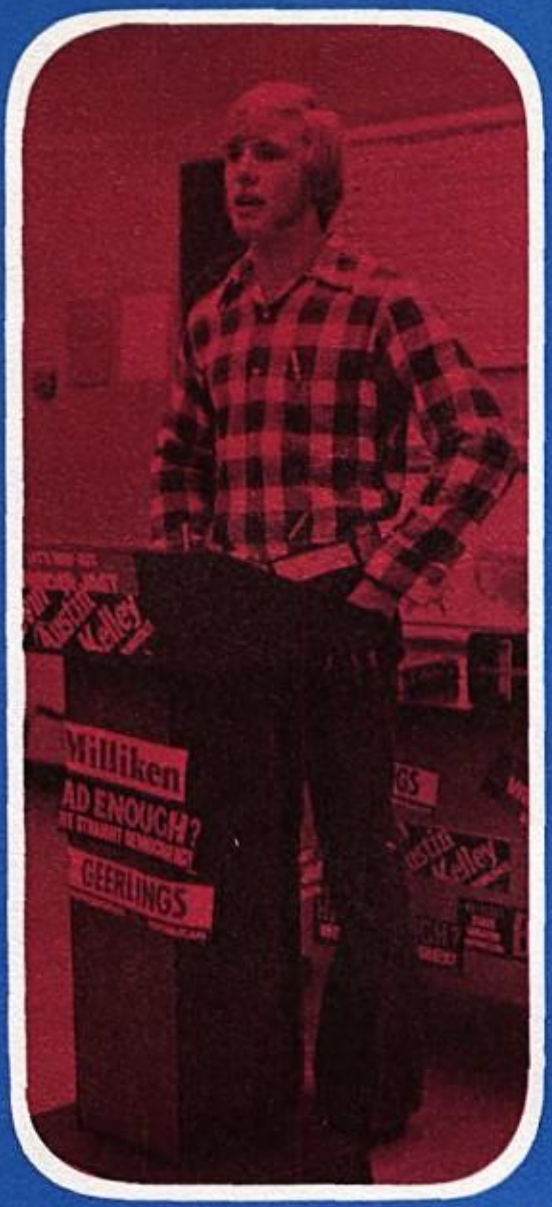
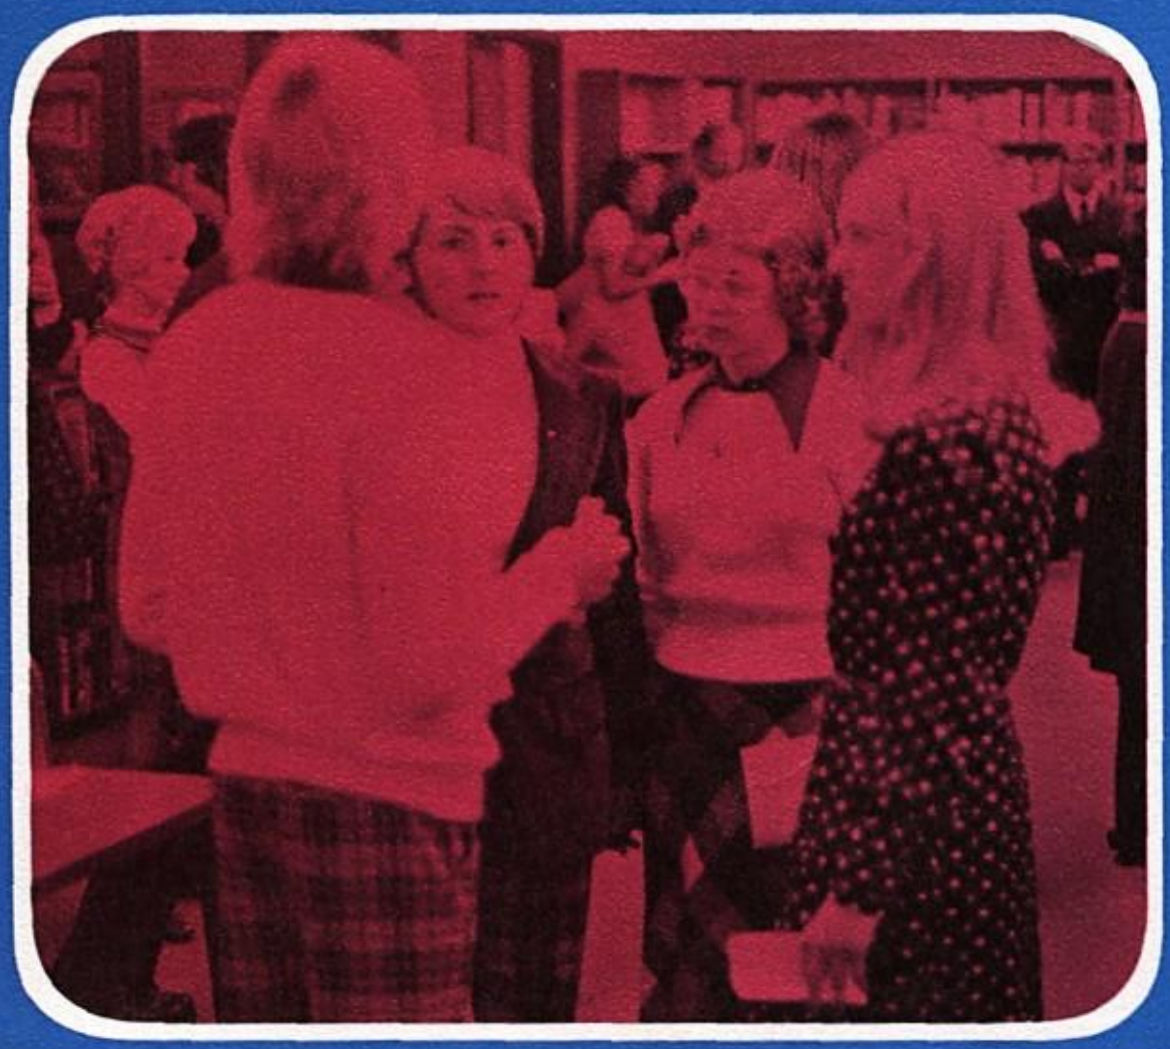
Grand Haven Senior High School,
Grand Haven, Michigan



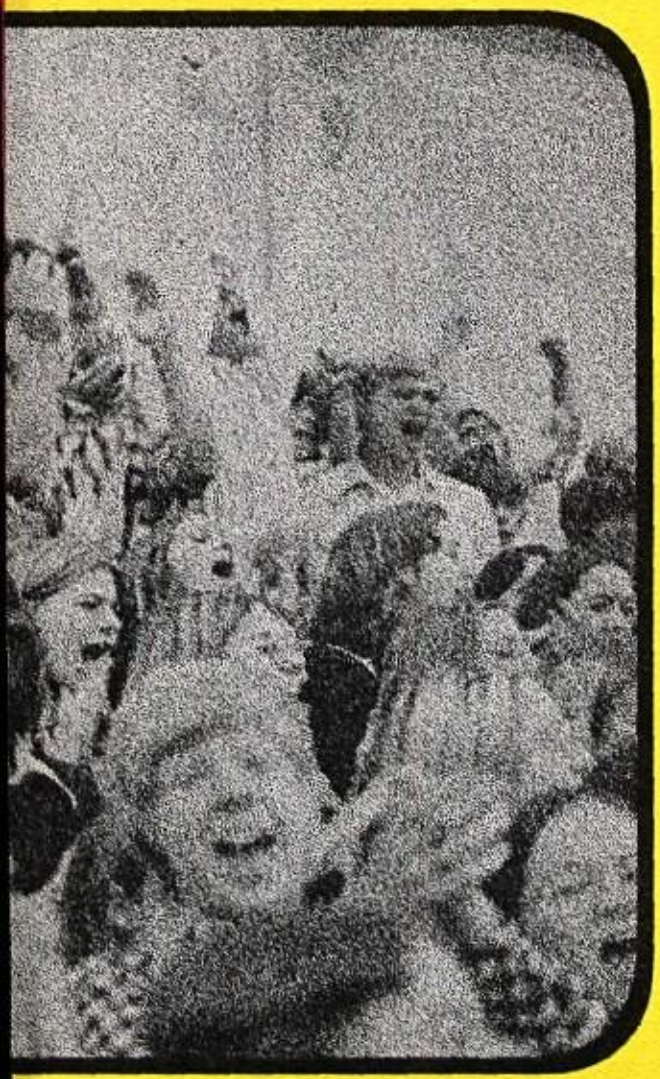
Go placidly amid the noise and haste and remember what peace there may be in silence. As far as possible be on good terms with all persons.





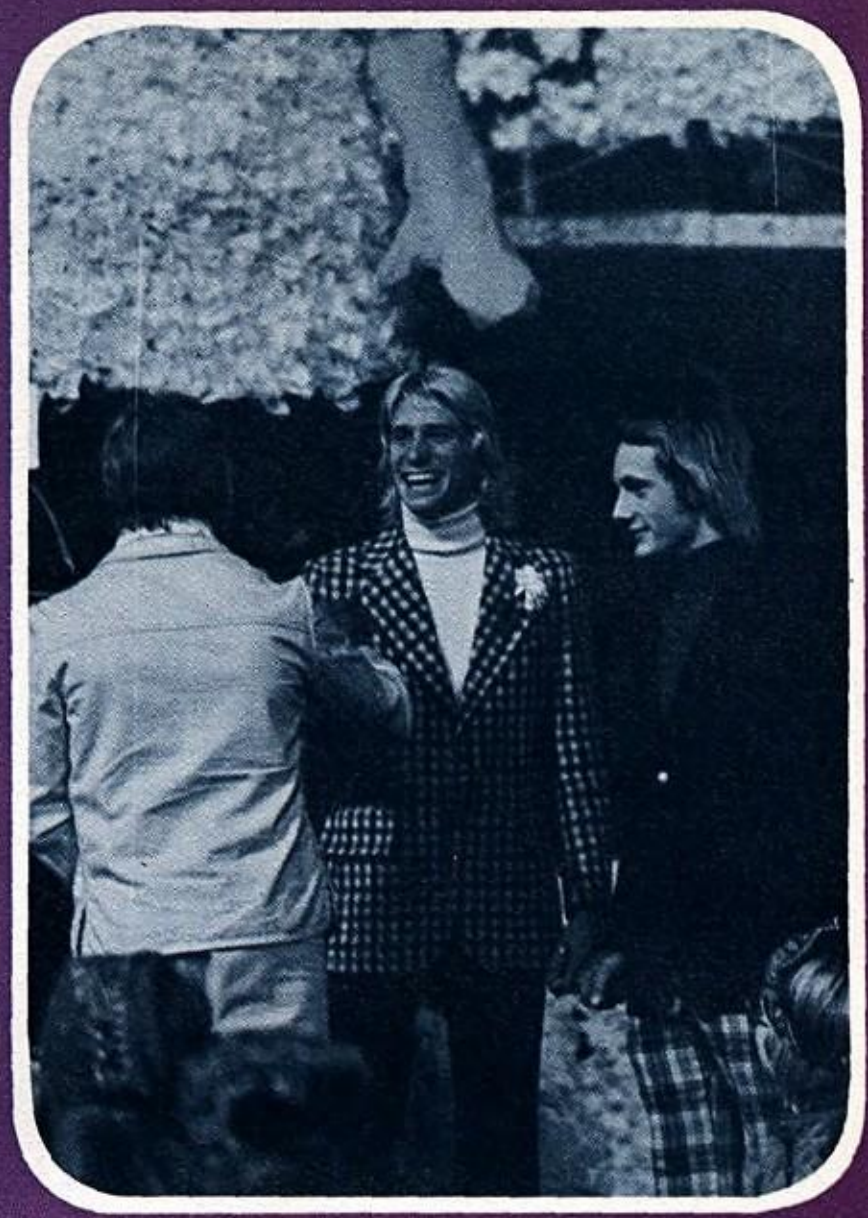
Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.

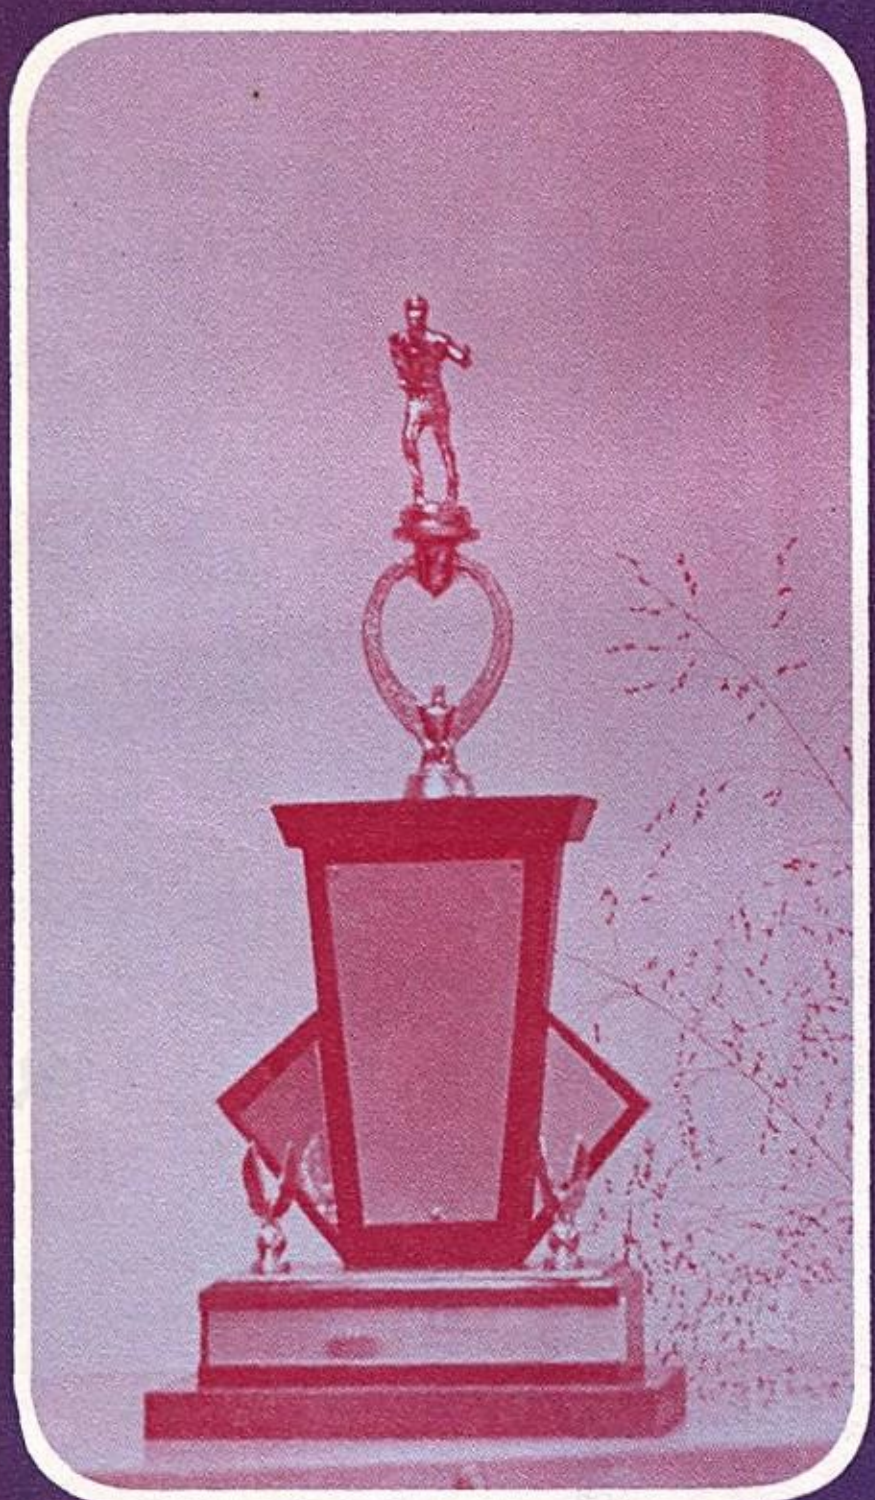
Avoid loud and aggressive persons, they are vexations to the spirit.

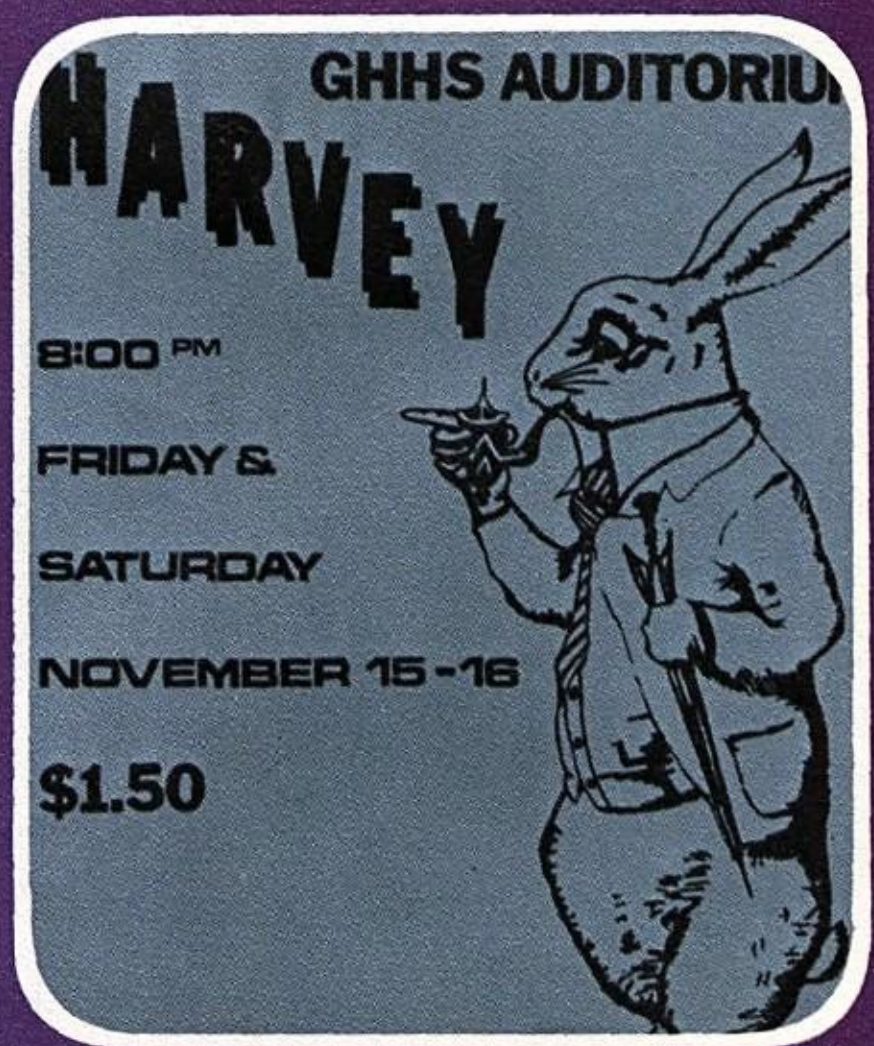


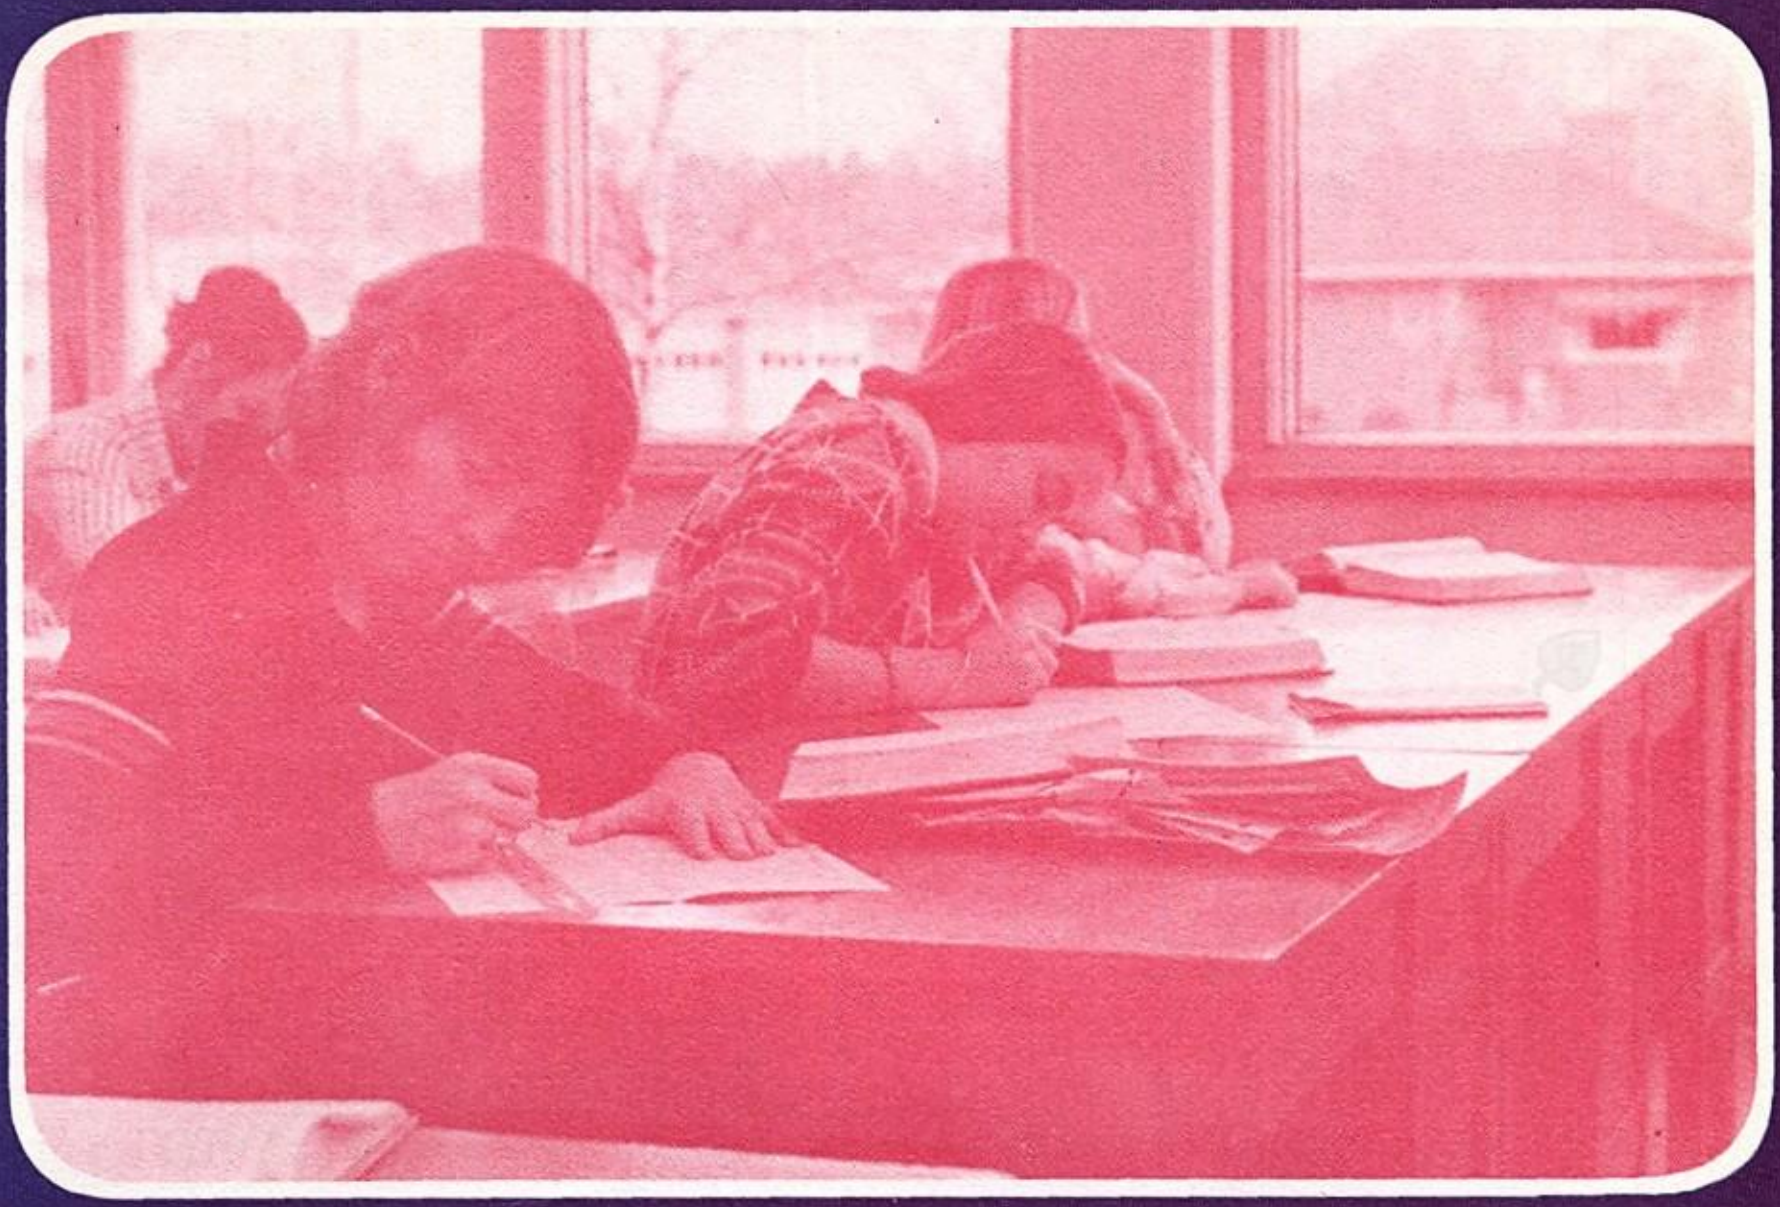
If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself.

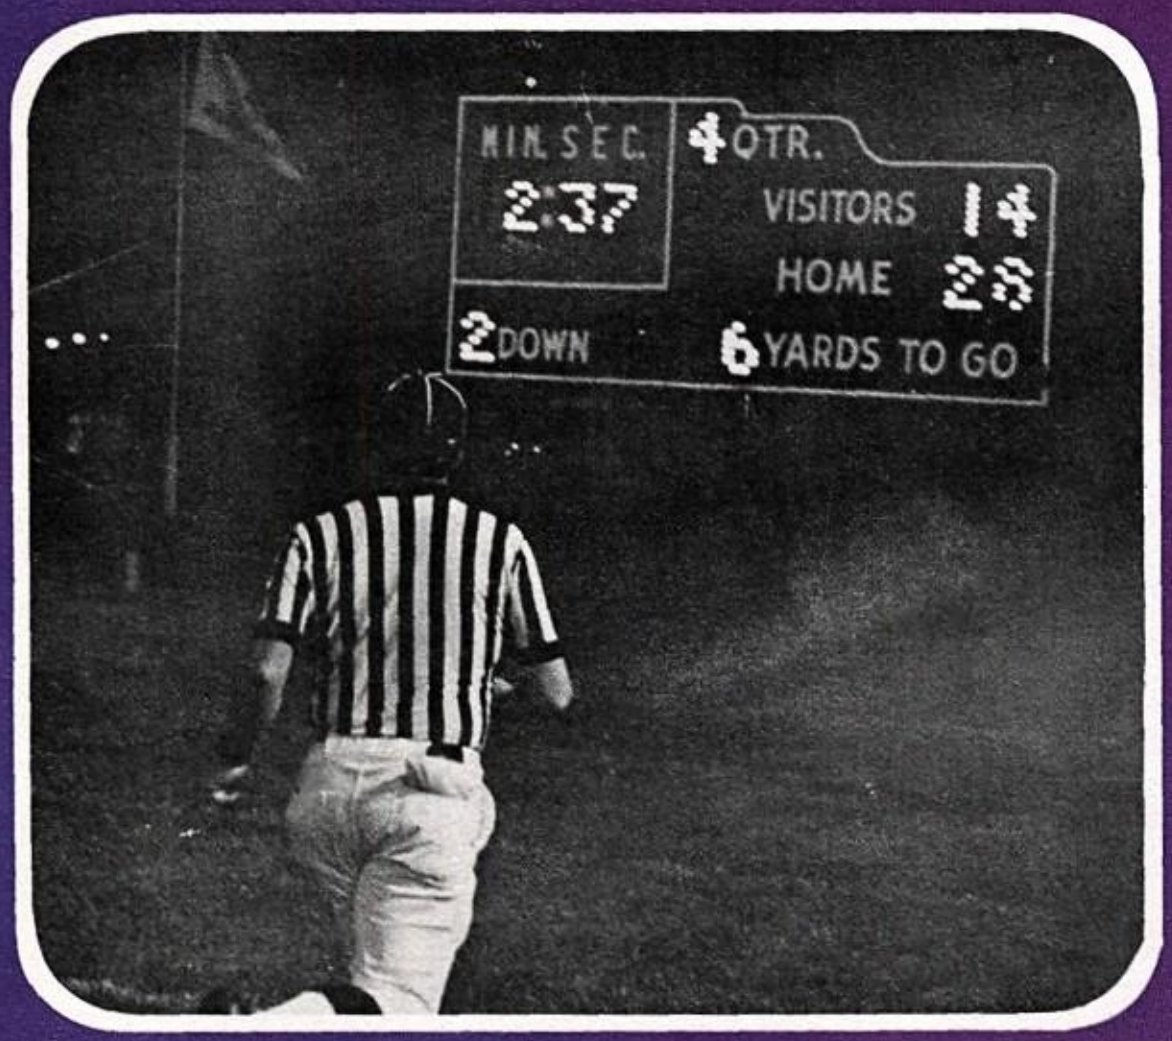
Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time.



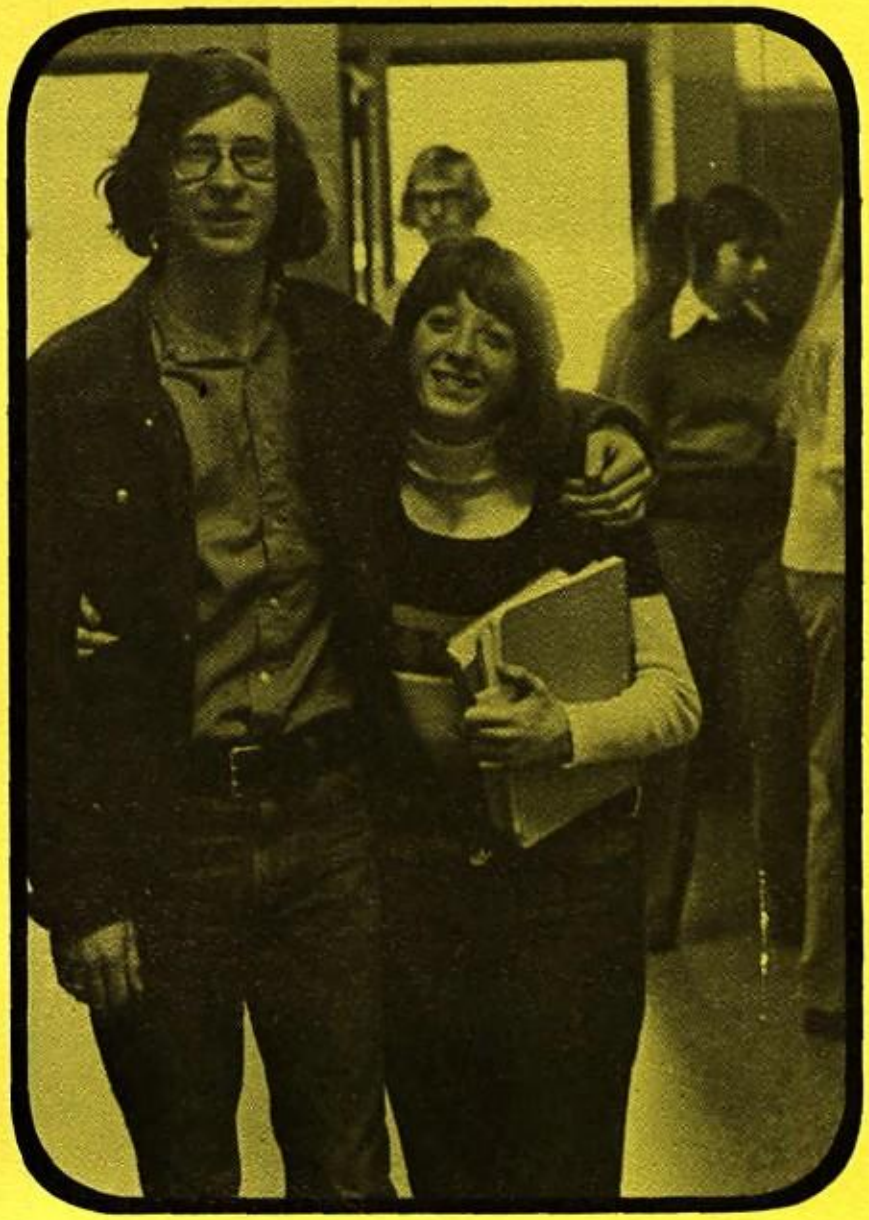






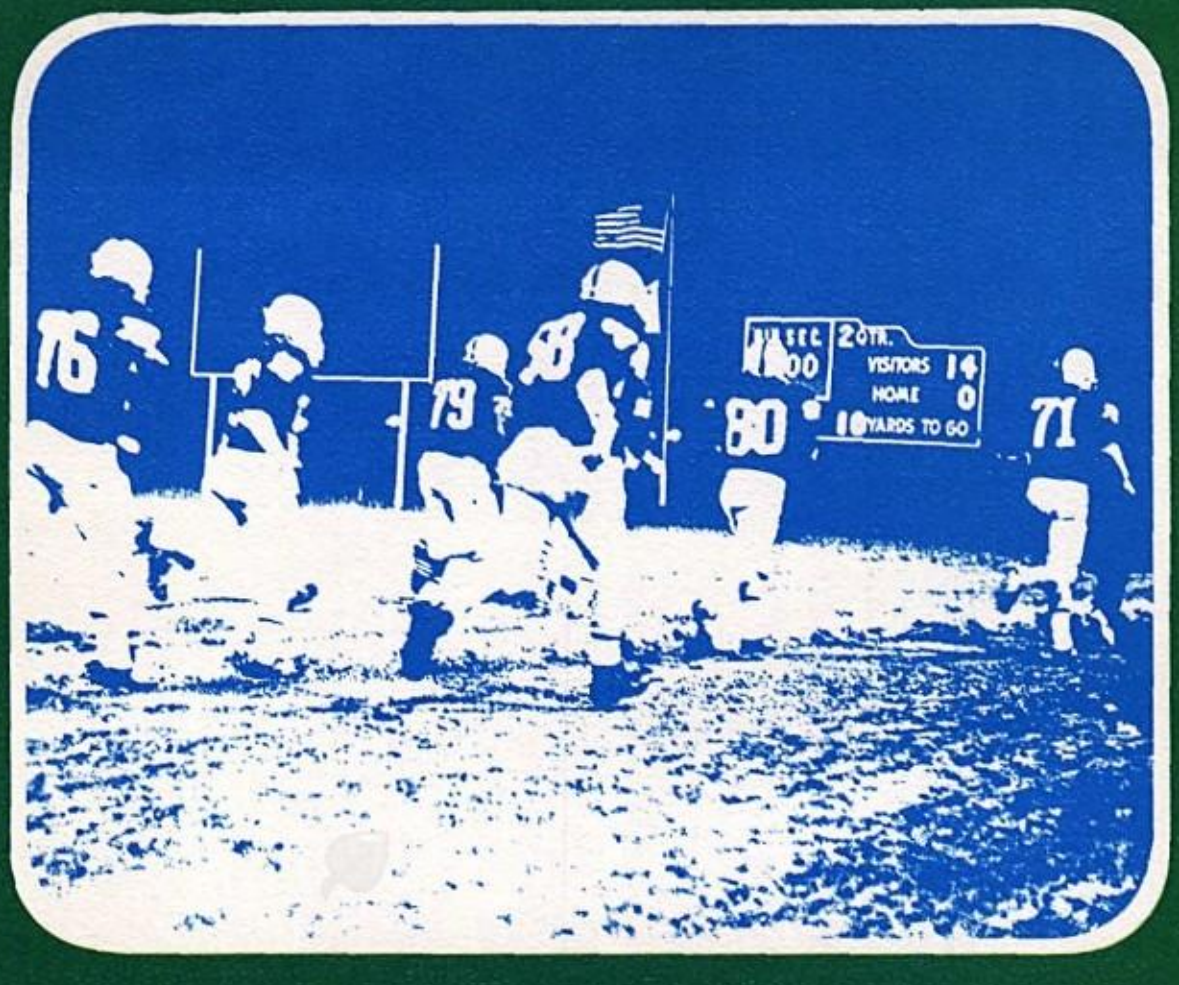


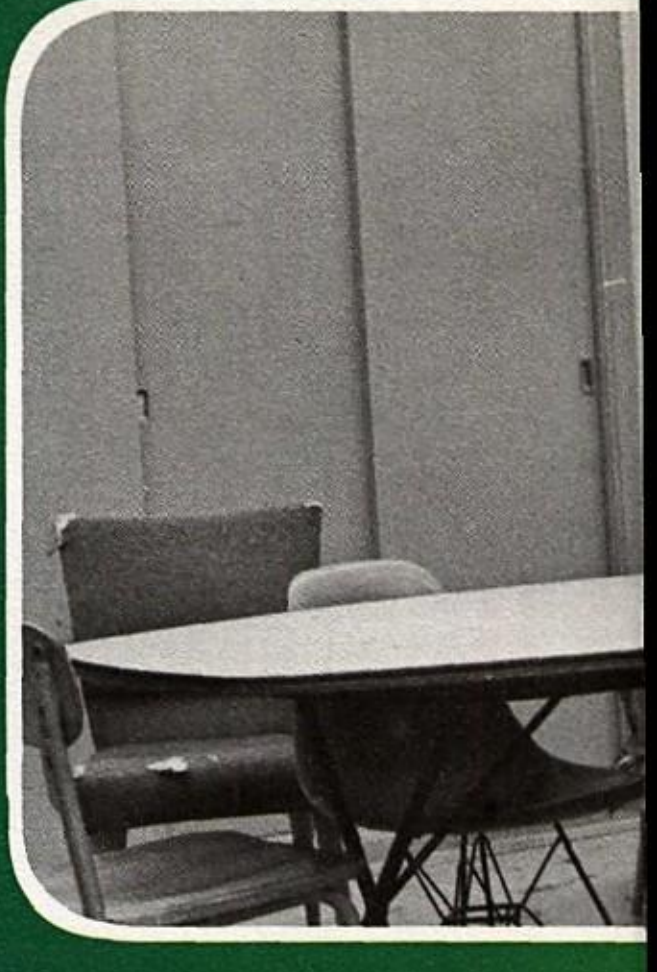
Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.



Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is as perennial as the grass.

Take kindly the council of the years, gracefully surrendering the things of youth.

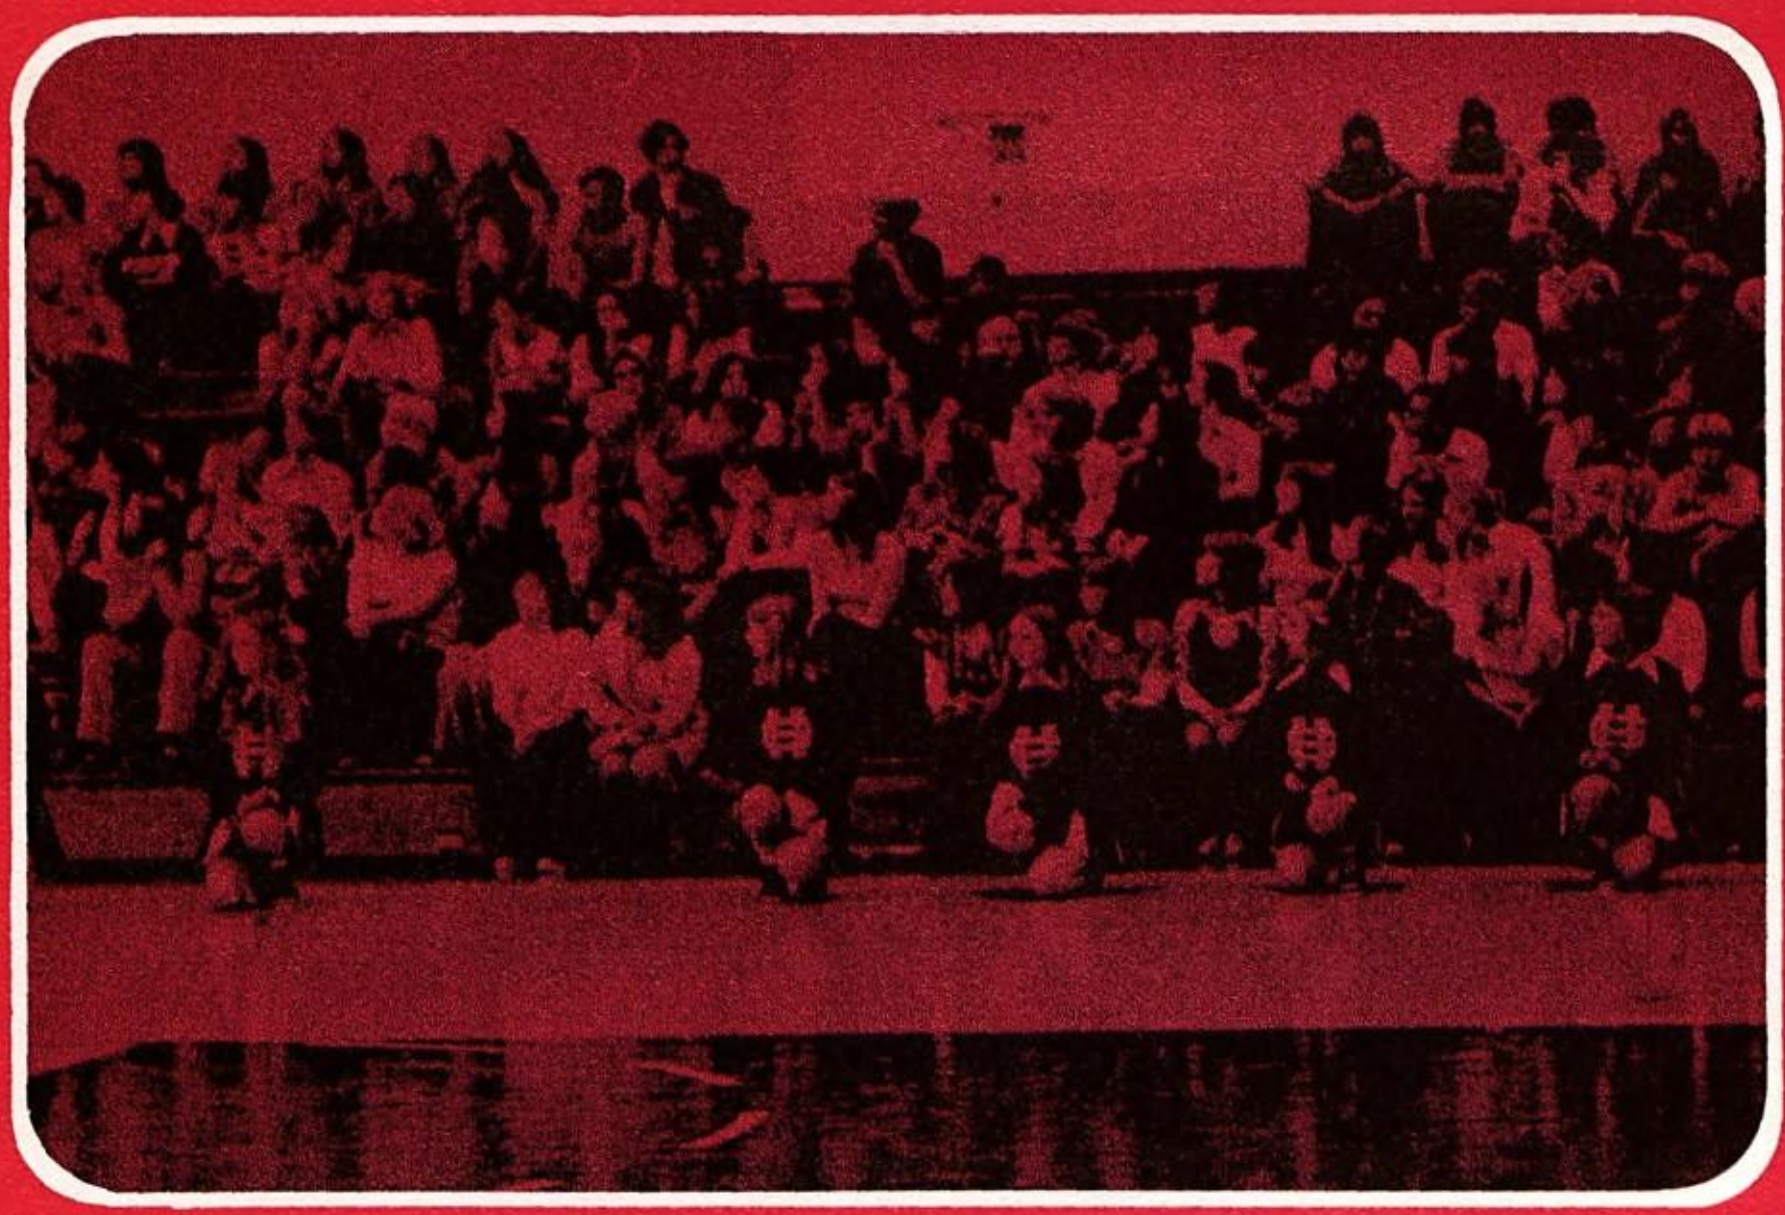




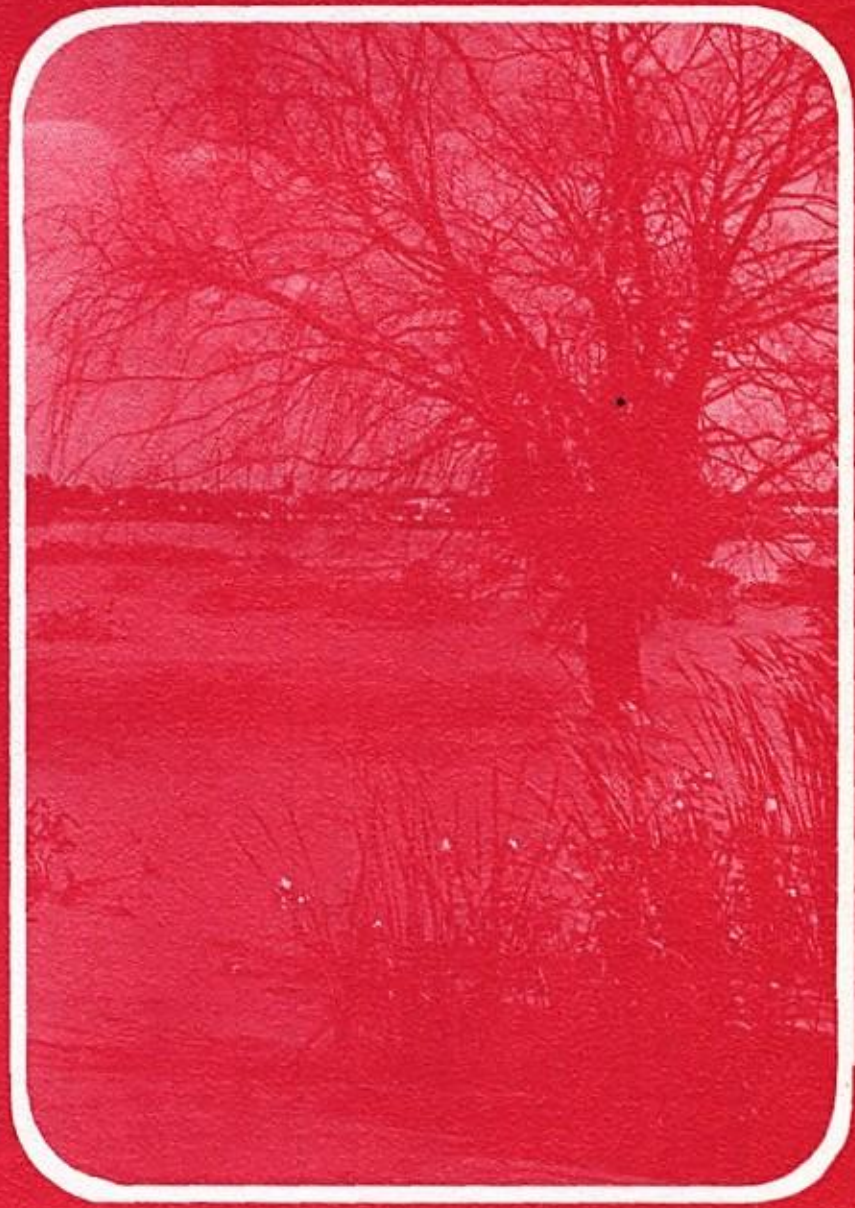
Nurture strength of spirit to shield you in certain misfortune. But do not distress yourself with imaginings.

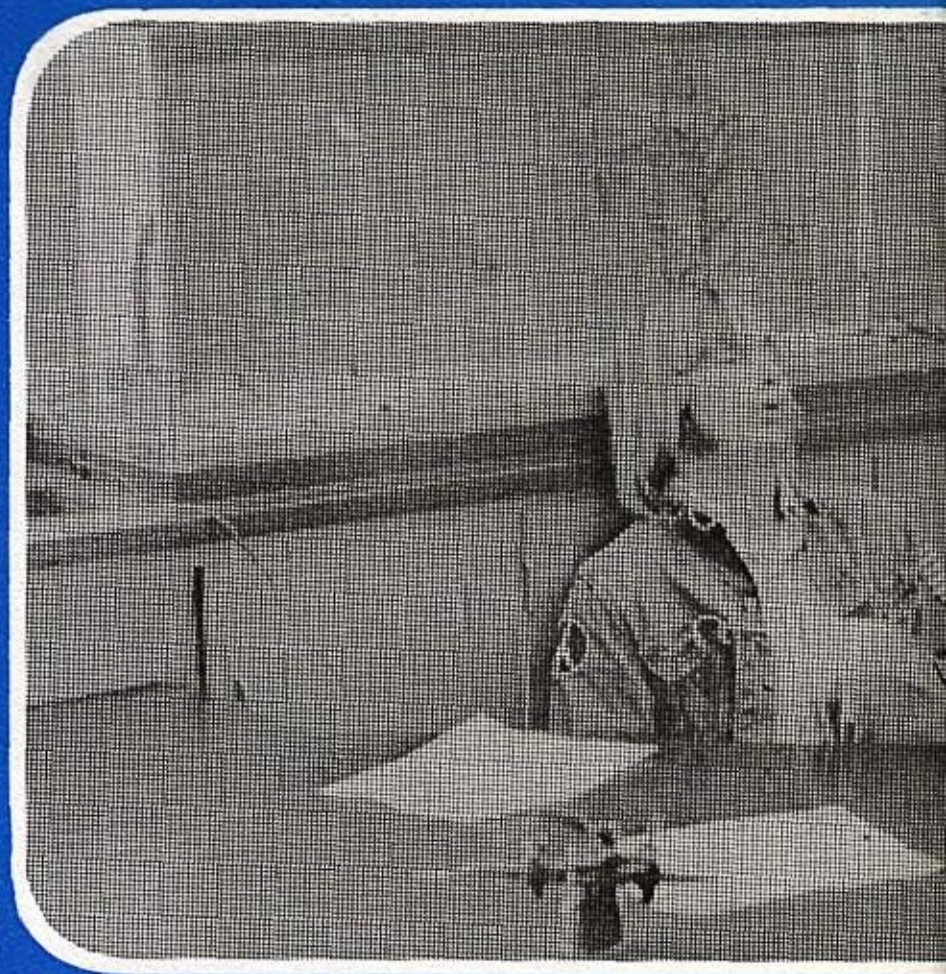
Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself.

You are a child of the universe, no less than the trees and the stars; you have a right to be here.

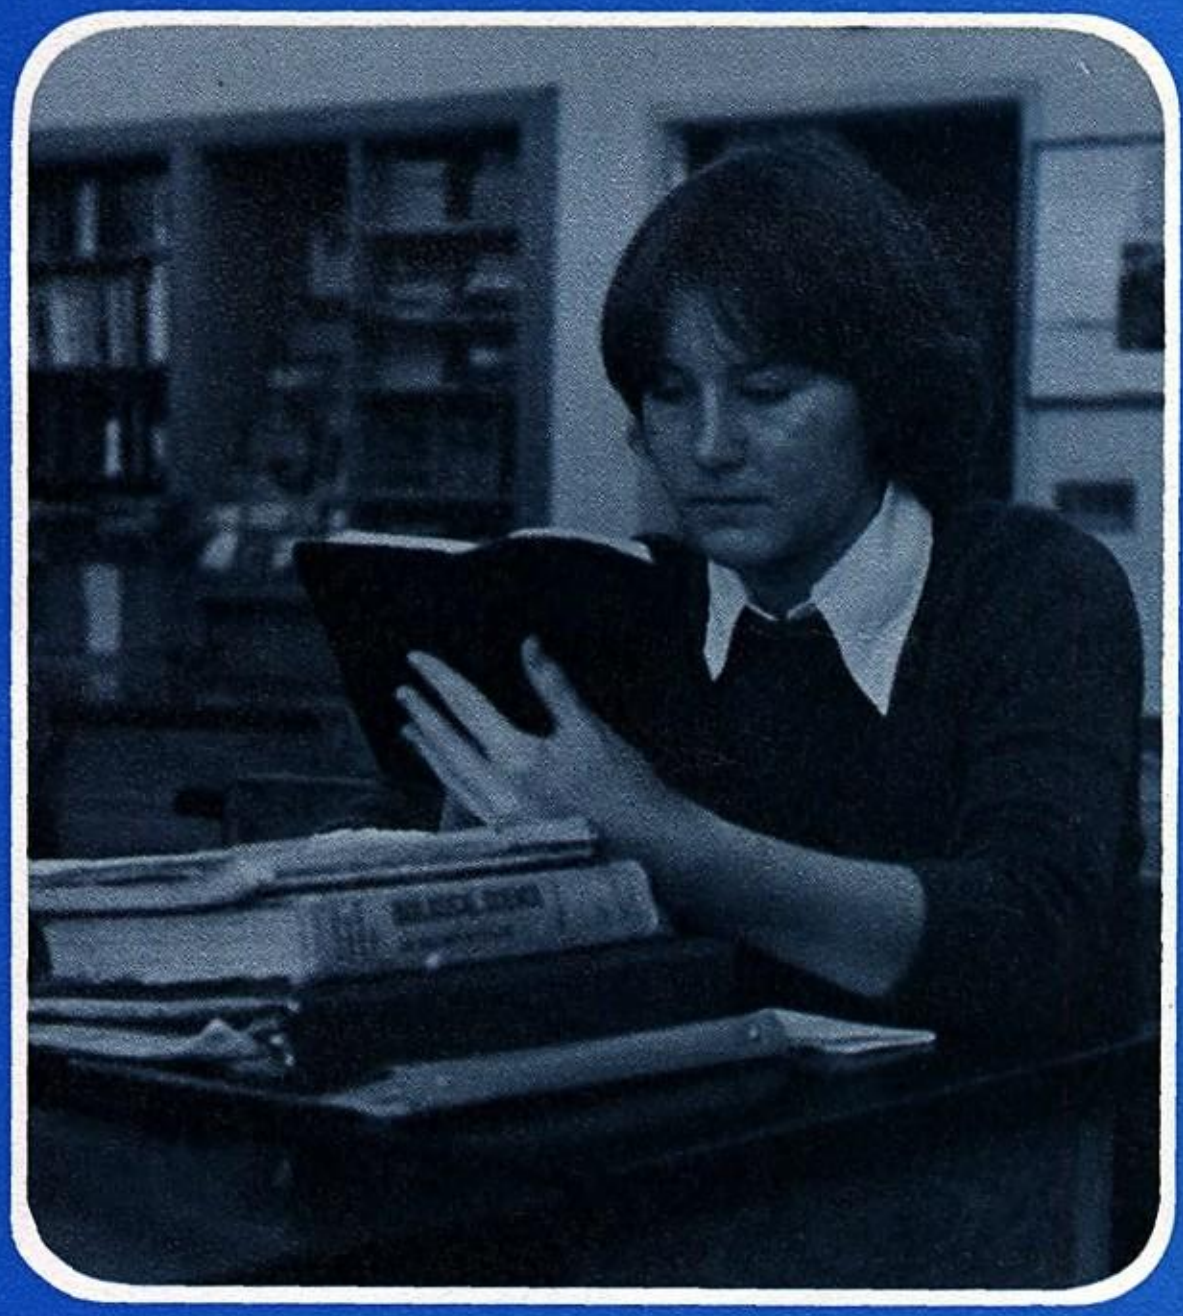


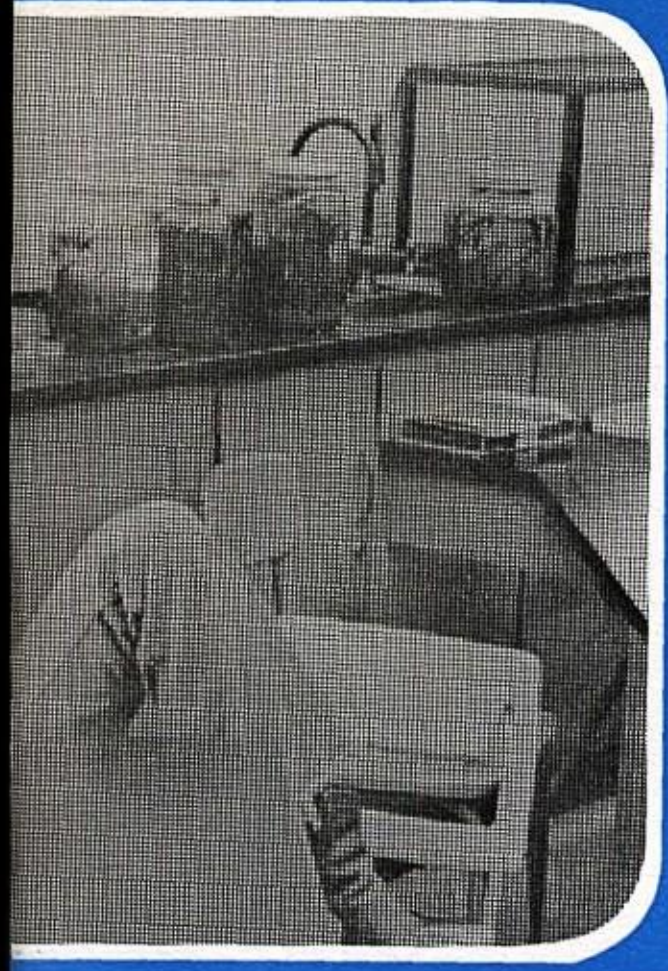
And whether or not it is clear to you, no doubt the universe is unfolding as it should.



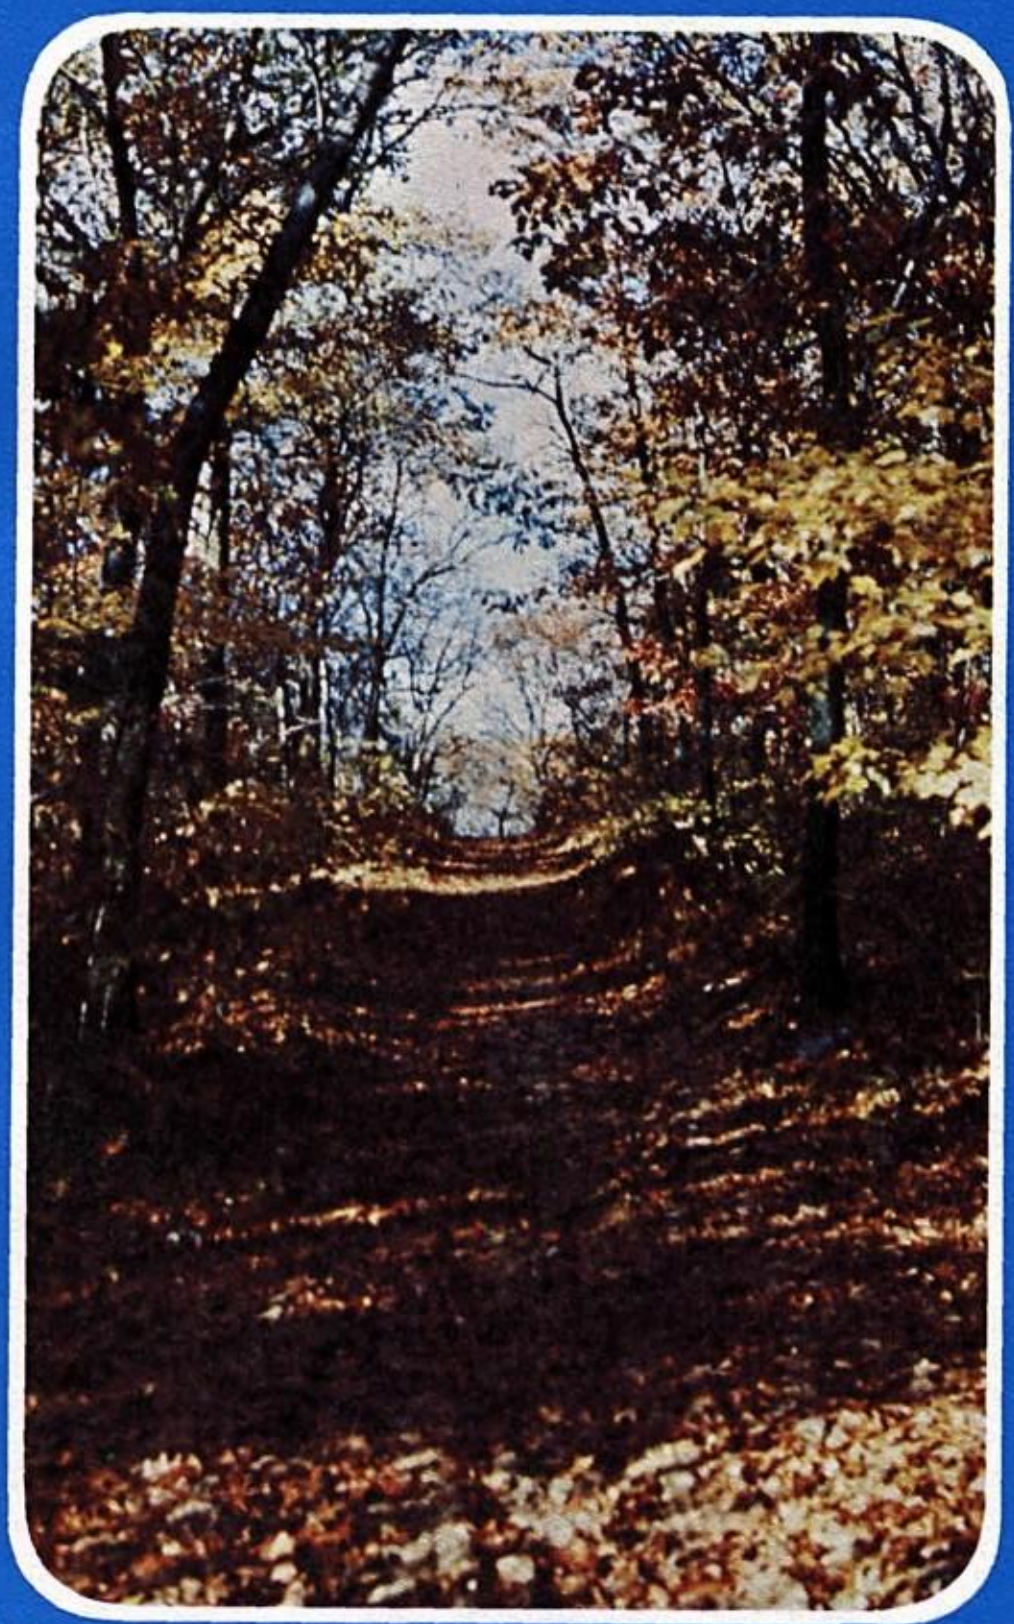


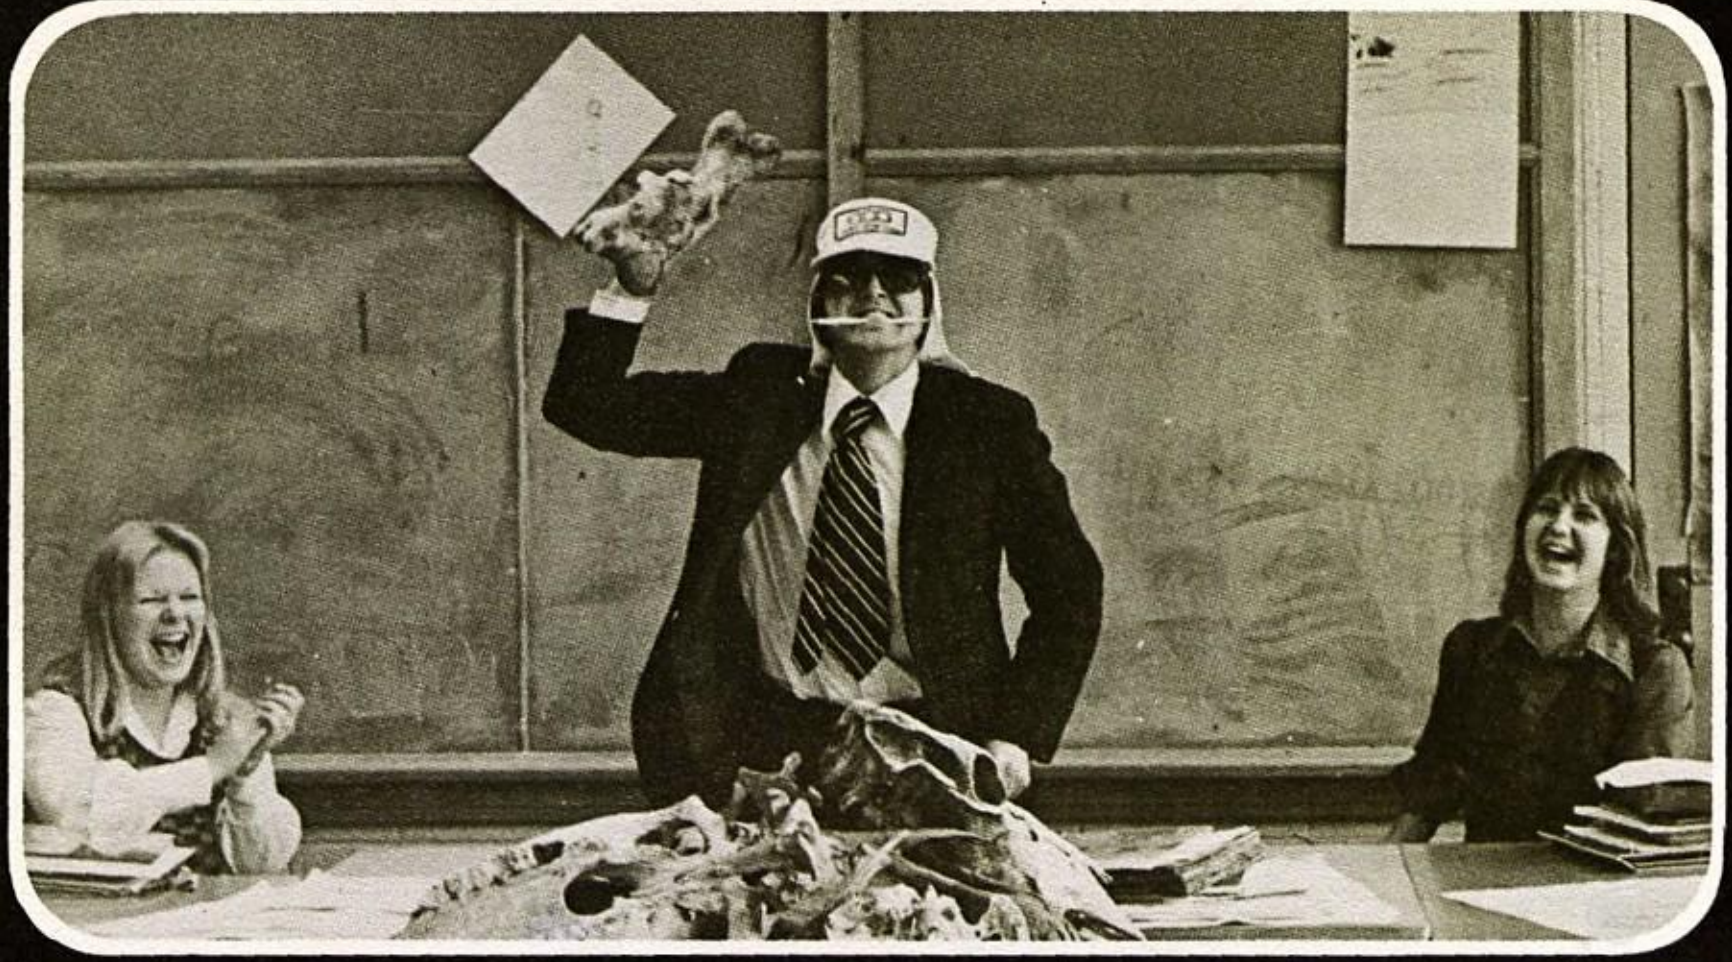
Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations in the noisy confusion of life, keep peace with your soul.

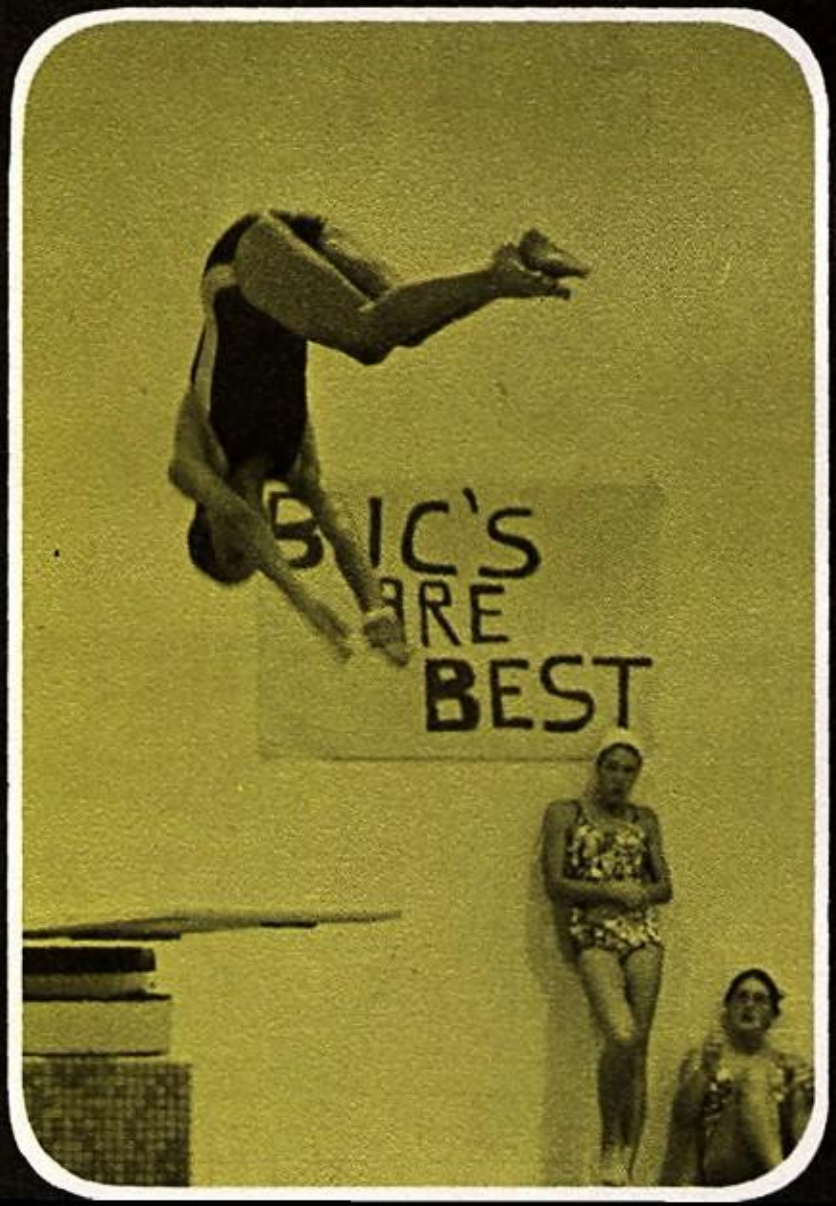




With all its shame, drudgery and broken dreams . . . it is still a beautiful world.







Be Careful. Strive to be Happy.

Always suddenly they are gone—the friends we trusted and held secure . . .

Of all the pages appearing in the *1975 Blue and Gold,* this is the saddest. This page is in memory of five fellow classmates, who are no longer with us.

We wish that they had shared with us all our high school memories, for their absence was felt often. We will never forget these memories, nor will we ever forget these friends.

1975 Blue and Gold

This book is a true reflection of feelings. It represents you the students and the memories which you experienced throughout the year.

The creation of this annual was not in any way an easy endeavor. A *great* deal of time and effort was put forth by the *Blue and Gold* staff and Mr. Jack Boyer, annual advisor. The staff's objective was to create a yearbook which all would be proud of, this I feel was achieved.

As Editor, I thank the staff for their dedicated work and Mr. Boyer for giving me the opportunity to hold the position of Editor-in-Chief.

As a Senior, I leave, closing a chapter in my life. This annual however will remind me of the time gone by. I hope it will remind you also.

"Be careful and strive to be happy."

In all Sincerity,

Vicki Fett
